

Travel Mate

Black Widow, the innovative leaders in Vehicle storage solutions, is proud to announce the release of a new storage system range, Travel Mate.

Travel Mate is a new entry level priced drawer system by Black Widow made to the same level of finish and integrity that they are renowned for.

Features include full steel construction, full roller bearings and quality fittings.

The new travel mate range is available to suit a wide range of vehicles such as Pajero, Prado, Land cruisers and Nissan including dual cabs and wagons.

Most importantly, Travel Mate is made in Australia to suit our harsh environment..
